

Parents & Guardians,

We wanted to send home an informative note about a change we just decided to make for this year in spelling. After discussing with other grades, as a third grade, we've decided to move to one spelling test every other week. This allows for students to have more opportunities to practice the words both at home and school. That being said, it is extremely important that you use both weeks as a time to study since we will only have 4 spelling test grades per quarter. You can find all the spelling lists are on our classroom websites. They are also on spellingcity.com if you use that resource at home. If you have any questions, don't hesitate to contact us through email or Dojo. 😊

Thank you!

Mrs. Midiri & Miss Krouse
